

A decorative border of small, dark-colored flowers with green leaves runs along the top, bottom, and sides of the page. The flowers are arranged in a repeating pattern, creating a frame around the text.

Principal's Notes:

Well, I will say that this March has been one of the strangest weather wise that I can remember. One day it is 60 degrees, two days later the temperature barely gets out of the teens. The following day it pours buckets of rain and then we have to close school for two days because of a blizzard. It was a turbulent month.

I am comparing the month to our sometimes joyful, sometimes sorrowful Lenten Journey. I find it easy to give up something one day and quite challenging the next. I can easily do an additional act of kindness on Monday, but something distracts me on Tuesday and I do not get to it. I assume the key is to just continue putting in the effort.

On Monday, April 3rd, the students will have an assembly entitled Jump for Life. It provides entertainment along with a message about physical fitness. Our third and final bus drill has been rescheduled for April 5th. Please take a few minutes at home to mention to your child/children the importance of remaining in their seats on the bus. Occasionally, some of the students forget and the situation could be dangerous.

There will be no bus transportation on April 10th, 11th, and 12th, except for students who ride the North Rockland buses. Easter Vacation begins April 13th and classes resume April 24th.

I would like to wish everyone a joyous and safe Easter Vacation. Remember even in difficult times Jesus is with us.

"Don't be alarmed," he said, "You are looking for Jesus the Nazarene who was crucified. He has risen! He is not here." Mark 16:6

Joyfully His sacrifice has saved us!

Have a Blessed Easter,

Mrs. Grande
